6	Flex banner — 6ft × 3ft Large-format venue banner. Use the SVG for the printer.	3000 × 1500 px	7

BEFORE PRINTING

- The QR code points at the registration site. Regenerate the artwork once the site is live: `npm run marketing -- https://your-url`
- For the poster and flex banner, give the printer the .svg file — it is vector and stays sharp at any size.
- Event details (date, venue, categories, 1499 entry) are baked into every asset. Confirm them before any print run.

1. Social post — square

1080 × 1080 px · Instagram feed, Facebook feed, WhatsApp forward

The main poster features a silhouette of a runner on a path overlooking a city skyline across a body of water under a dramatic, cloudy sky. The text 'RUN TOGETHER. STAND UNITED.' is in a small, blue, sans-serif font. Below it, '20 SEPTEMBER 2026' is in a large, bold, white, serif font, followed by 'BARASAT STADIUM' in a smaller, white, sans-serif font. Three white-bordered boxes contain the distances '3K', '5K', and '10K'. At the bottom left, 'REGISTER NOW' is in a bold, white, sans-serif font, with 'ENTRY ₹499 · unity-run-2026.onrender.com' below it. At the bottom right, 'SCAN TO REGISTER' is in a small, white, sans-serif font next to a QR code.

RUN TOGETHER. STAND UNITED.
